NOTICE

Marking of Sandals to Prevent Losses

Dear Students,

We have recently received several complaints regarding missing sandals from the school library. This is indeed unfortunate and we urge all students to take responsibility for their personal belongings.

To prevent further losses, we instruct all students to mark their sandals with their class roll number. Please note that CCTV cameras have already been installed to monitor and control such incidents.

Strict action will be taken against any student found responsible for misplacing or taking someone else's sandals.

We appreciate your cooperation in maintaining a safe and respectful school environment.
